Watching Embarrassing Bodies last night, we were flabbergasted at the amount of people who'll show off their rotten cocks and disintegrating feet on TV because a doctor tells them to. We might be more inclined to disgrace ourselves if naked nurse Cheryl demanded it. As long as she doesn't want to perform a prostrate exam with that dildo of here. "Oh no, this big bugger is all for me!" cooes the randy RSN.

I told her she'd get it in three holes

Screw loose

My Glenda fancies herself as a DIY genius, so she had the idea of us racing to see who could put a flatpack unit together the fastest – with the winner getting an orgasm.

I agreed – and next thing I knew, she stripped down to her scarlet undies. Ignoring her was easier said than done – I refused to look when she was parading, but when she was on her hands and knees, pussy peeking out all moist and lickable between her arse-cheeks, I couldn't resist.

When I said I was done she started whining that she seemed to have a screw missing. "Not for much longer," I said. I told her she was getting my dick in all three holes, but I'd let her choose which order.

She said she'd start off with my cock in her pussy, and I told her to get on all fours. She did and, as soon as I started pumping away, she frigged her clitoris furiously. I kept on going as long as I dared, then pulled out.

Next up, she took me in her mouth, with her hand between her legs.

She'd have happily sucked me dry and kept on sucking till my plums filled up again, but I was going to fuck her arse even if I only got one pump at it before I shot.

I gave her a good licking, to wet her bum with spit and her own sticky juices. Then I slid my stiffy in it, slowly as my helmet opened her up, then I started to fuck her faster until I filled her arsehole full of thick, hot cream.

I came clean later on – showed her the two small but essential fixings that I'd nicked when she wasn't looking and hidden under the bra she'd flung on the floor! *Frank, Luton.*

Master and commander

Hubby's told me to write to you and say what a bad girl I've been. At home, I have to walk round naked, in lingerie or in fetish gear – always in high heeled boots.

This time he had me in stockings and a suspender belt and stuck a butt-plug up my arsehole. Thing is, it got me all horny. I'm not supposed to touch myself without permission, but I got my vibrator and sat on the rug in front of him, teasing my clit in the hope he'd get so hard he had to fuck me.

But he was watching sport and I was interrupting. So he got my wrist cuffs and tied me to a chair, making me watch too. I kept wriggling, trying to get some pleasure off the plug stuck up my arse,

I got off lightly that time, though. Once he had a couple of mates around for a lads' night in. He said he'd told them I was going to be their sex object for the night, walking round in lingerie and servicing their needs. I was ready to go, but he had me waiting out in the kitchen all night. A couple of hours and I was frothing at the slit – he knew I had a thing for one of the boys, and the other one was OK too. Then he came through and told me I could just go upstairs and wait for him.

I was pissed off and I'd been drinking wine. Just enough to make me feisty and I threw my glass on the floor. He said either I could go upstairs now and sleep in the spare room, or he'd punish me in front of the boys.

Guess what I chose? He marched me out into the room – the lads were already and started wanking, spurting his jizz all over it and using his helmet to rub it in, before inviting the lads to make their own contribution. I felt like such a slut bent over, arse in the air, with three lots of hot jizz sizzling over my well-tanned arse!

Afterwards, hubby led me up the stairs and I said if his prick was half as hard later on as it had been when I was over his knee, I wouldn't be able to walk the next morning. He told me he didn't want me to open my mouth again unless it was to put his cock in it. He let me keep out of trouble with my sex toys, though, until he was ready for me again.

It's just a game we both get off on, but I love the kinky punishments he doles out!

Chrissy, East Sussex.

but I just ended up frustrated.

When his game was over he got his cock out, blamed my "fucking around" for getting him hard, slapped it up against my tits then wanked it in my face. I had to open my mouth wide to take his spunk, only for him to spray it everywhere else as well.

I sat there, cum dripping down all over me, begging him for forgiveness for almost an hour, until he was hard again. Then he uncuffed me, bent me over the chair, pulled out my butt-plug and used his cock on me. He let me use my vibrator on my clit while he was arse-reaming me – he likes to feel me cum around his cock, whatever hole he's in.

Their jizz sizzled over my spanked arse

a bit lagered and they'd been watching a porno channel. He got me on his lap and pulled my knickers down. Then he hand-spanked me until my arse was glowing like sunburn.

He had me bend over the chair to show the boys, and they inspected it, putting their hands on it to feel the heat. Then hubby got his cock out

HOLEY
FUCK!

We had a ripping time with housewife Leah, who gets through men like she gets through pairs of stockings. "Just tear them off me!" the Torbay temptress gasps. "It feels sexier that way, when you're carried away by animal passions. Tear them off and then stuff your meat inside me and give it to me hard. My husband could be back at any time and he'll do his nut if he sees what I'm up to. I know, I live dangerously but all the best things in life are risky, aren't they. Is that him coming up the driveway? You'd better hurry lads. Come on, I'm nearly there..."

Having fun in the son

My neighbour's son Sean is 19 and I'm 35. He lives with his mum but visits my neighbour, his dad, and when he turned up and his dad was out, I took him in, gave him a coffee, and one thing led to another!

It started when he got up to go. He gave me a hug and I felt his hard-on dig into my belly. I just looked at him and we started snogging. He laid me down on my couch, spreading my legs and fingering my hole. Then he went down on me – he jabbed and twisted his tongue, drinking it all down. I was pressing back into his face, getting off on it, but I didn't want to wait any longer to take his prick.

When his cock was in me, I bent my legs double so my heels were now resting right up next to my arse cheeks, grabbing my ankles to stay in position. With so much of me at full stretch, a good pounding felt even more intense.

My boobs were bouncing all over the place, inviting Sean to grab them for a play. He squeezed them hard, so that my nipples popped out in between his fingers, and I felt all the signs that I was going to cum.

"My clit," I groaned – I needed just that little bit more. I thought he'd finger me but instead he angled his body and mine, so his pubic bone and bush were rubbing up against my sensitive spot.

I tensed right up, then the release was so incredible, Sean's cock still deep inside me. I was trembling and I saw his knuckles white where he was holding me by the knees. He was trying so hard not to cum too – well, not just yet, anyway.

He asked could he finish off doggie style, and so I knelt over the end of the chaise, tits flattened against the leather as he thrust into my cunt. Then he grabbed my feet, bending my legs in half again like I'd done to myself. So I was already cumming when, with one big groan, he spent his wad inside my twat.

I breathed hard as his fat helmet opened up my arse

It didn't end there, either. I asked had he ever fucked a woman up the arse. He said never but he'd always been turned on by the idea. So I got him to lie down on the carpet, then slathered lube all over my arsehole, telling him to take it slowly.

I never doubted he'd be hard enough for anal, as I slicked his cock with lube and teased it up against my slit. Then I moved it backwards and, slowly as I could, pushed myself down on it, aiming his tip so it would slip smoothly into my tight arse.

It was a bit of a squeeze, so I took my time, breathing hard as his fat helmet opened me up. But, once it slipped past my ring, the rest of his shaft soon slid into me as well.

I told him to let me fuck him, to just lie back. I'd reached back to stroke his balls when he started playing with my clit. His cock felt so big in my arse, so satisfying. Then, as his fingering warmed me up a bit, I started to speed up, to fuck him a bit harder.

He didn't stop until I'd cum three times, then I told him to fuck me hard as he could. His dick was pumping like a piledriver in my bum. Then I felt a delicious warm flood as unloaded inside my arsehole.

He hasn't told his dad I'm a slapper, but I like the idea of *Escort* readers knowing I am!

ALISON

Checkout girl Alison was discovered by our photographer who never stops thinking about birds, their boobs and bushes, even when he's shopping for Jaffa Cakes on a Saturday afternoon. "This chap came up to me and asked me if I had ever modelled," she tells us. "I went along and had the time of my life. It's such a horny feeling to show your bits to the whole of the UK! And my sex life is through the roof – I can't get enough. My man can't believe his luck!"

Chat-up lines don't impress mucky Marina, who prefers action to words. "I've heard some real crap in nightclubs – that's a nice skirt, but it would look better on my bedroom floor – that sort of thing," says Marina, crinkling her nose. "The only chap who managed to pull me in the club did it literally. He smiled at me and ushered me into the gents. He was hot, well-built and his cock was massive. He fucked me on top of the cistern and never said a word!"

Muff driver

Nathan, my driving instructor, wasn't my usual type – he was a bit geeky and lanky looking.

He never quite rose to the bait until one day when he called round at my place to pick me up for a lesson, and I came out in a pair of high-heeled boots. He said, he was sorry, but they weren't suitable for driving – they might stop me operating the pedals safely. Plus, he added, they'd probably give him a stiffy, too.

I went in to change them, and asked him in too. For the first time he knew he'd talked himself into all sorts of trouble. "I'll pay for the lesson, whatever," I told him.

That probably didn't help his conscience any, but it shut him up long enough for me to take advantage! I kissed him and then he kissed me right back, his tongue flicking in and out of my mouth.

He still looked a bit awkward when he came up for air, so I told him not to worry – he didn't have to fuck me, he could just fuck my tits.

I stripped naked apart from my horny boots, and let him have a suck on my nipples. Meanwhile I grabbed a handful of his cock, wanking him to total hardness. I wanted to lube up with my own pussy juices, but he didn't want his wife smelling my sexed-up snatch on him, so I used unperfumed body lotion instead!

It looked like cum splashes on my tits, and then I dropped down to my knees and started smothering his dick and balls in it too. While I took care of his tackle, he played with my globes, squashing them around his length. Then, when it was buried in between them, he started fucking in and out.

He had a nice beefy cock, and the feel of it reaming my deep cleavage made the wait well worth it. Even so, we didn't have long.

I told him to let me know when he got close to cumming, but he didn't actually need to. His balls shrank right back and his dick looked like it was going to burst a split second before it reared up between my tits – and I decided to swallow the evidence.

I don't think it tipped over from tit-wank to blowjob – I just rested his tip on my bottom lip and let his hot liquid jizz squirt out down my throat.

I won't be satisfied until he's fucked me properly, though, and I'm going all out to make sure it happens soon!

Shellie, Stockton-on-Tees.

His cock reamed my deep cleavage

Plus he was wearing a wedding ring. Maybe it's because I never expected anything to happen between us that I didn't have any defences up against it!

He was chatty and a bit of a charmer – his way of getting a learner driver to feel relaxed and confident. But there was more to it than that – I found myself dressing a bit sexily for lessons, and flirting when he bantered with me.

Eventually, it was like we were playing chicken. He'd say he liked my top, I'd tell him, "No you don't, you like my nice little tits."

"Take your time with me – we've got all night," purrs kinky Kat, whose bedroom bondage sessions last for hours. "Tie me to the bed head, my arms and legs spread, and run your tongue up and down my body," sighs the Surbiton singleton, 22. "You'll get me really wet when you thrust your hard prick between my lips and down my throat but I won't be able to touch myself. It will drive me wild until you finally take pity on me and drive your hot hard shaft into my dripping slit!"

"Thank 'eaven for leetle girls," sang French perv Maurice Chevalier in fifties Hollywood musical Gigi. Thank heaven for the big ones too – our Gigi's boobs measure 32DD and weigh in at half a stone each, big enough to keep even randy *Escort* readers occupied for an hour or two. "I get off feeling my tits crushed against a man's lovely hairy chest while his cock steams into me," the nork-tastic Nuneaton girl confides. "And tit-wanking is always fun. I oil up my boobs, put my head back and fuck a stiffy till I'm splattered with sticky cum!"

Sheila's sex letter in 30.13 got her an invite to a swing party!

FANCY MESS

Dear Escort,

A few weeks ago, my hubby James and I were invited to a private swingers' fancy dress party by one of the contacts we made through *Escort* magazine. We are liberal-minded, and the invitation appealed to us as we had never been to one before and was curious to see what it was all about.

I'd bought a crotchless all-in-one catsuit and mask especially for the occasion while James decided to go dressed as a pilot.

We were both apprehensive but were soon put at ease by Bill and his wife Sally who gave us a big, warm welcome.

After discarding our coats and being offered a drink, we were escorted in to the living room and introduced to the other guests. Bill told us that many of them were regular participants and said we should relax and enjoy ourselves.

There was plenty of drink and food laid out and one table was filled with just about every kind of sex toy you could think of.

As we mingled with the other guests we were told that we were privileged as it wasn't often invitations went out to other people but apparently having my photos in *Escort* magazine had caused quite a buzz among the group! Other couples began to arrive and it wasn't long before there were about thirty guests all in various fancy dress costumes.

I could see that James was raring to go and my pussy was getting wet just thinking about the night ahead. Sitting down on the sofa we watched as people paired up or grouped together and the action commenced.

I was really horny and immediately went to work on James' already rock-hard cock with my red lips while he vigorously flicked his tongue up my shaven pussy and across my two clit rings.

One couple came over to join us and it wasn't long before a Roman centurion was knelt in front of me, tonguing out my bald pussy.

I hoped that he was going to give me some action with his sword, and not the one that was in his belt around his waist! James meanwhile, was getting his joystick sucked off by the centurion's wife dressed as a policewoman as I wanked him in to her mouth.

Another couple came to join us and within seconds James was being expertly blown by two pairs of lips while I was being given a good fucking by the centurion's sword and had a soldier's weapon down the back of my throat.

I knew I wouldn't be able to hold back and within a couple of minutes I was cumming, the first of many orgasms that night.

My two playmates were not going to get off with it that

easily though. Kneeling down on all fours, I took one doggy-style, his balls slapping against my two clit rings while the other held the back of my head and pushed his cock down the back of my throat, he moved in and out.

With Bill ramming his weapon up me it wasn't long before I was cumming again. I could feel Sally climax too as my tongue darted in and out of her wet hole.

PARTY!

giving me a good face fuck. It wasn't long before they filled me up from both ends.

James was giving a treatment with his tongue to one of the women dressed as a nurse (which I'm sure you can't get on the NHS!) while the policewoman worked on his truncheon.

He looked like he was in seventh heaven. It wasn't long before he was shooting his jizz into her face and mouth.

Bill and Sally came over to see if we were okay. I told Sally she looked stunning in a black leather studded costume. Taking her hand and laying her down on the sofa, I started to lick her part-shaven pussy. I felt Bill's big hard cock brushing up against my pussy lips so opened my legs for him as he gently slid inside me.

I could feel his cock ring on his foreskin brushing against my pussy walls as Bill told us both to kneel down in front of him while he wanked himself off, spraying hot cum in to our eager faces.

I looked over at James who had a daisy chain going. He was fucking the nurse doggy-style while she was sucking off the centurion, whose face was being sat on by the policewoman while she in turn was sucking off the soldier.

It looked like fun and I was eager to join in, but hey, six might have been a crowd and there were plenty of other cocks and pussies I was eager to try!

By the end of the evening, the grunting and groaning of sweaty bodies filled the room with the aroma of pure sex.

I never did get to try out everything but the highlight for me was watching half a dozen of the guys standing around me and cumming all over my body and tits!

Sheila, W. Yorks

Health prick

Too bloody healthy for my own good, that's me. I never need to take a day off sick. But I like the idea of "duvet days".

I have one two or three times a year – phones and email off, door locked and blinds pulled down like I'm not in. And then I just have a pussy-pleasing frenzy. I'll get a load of porn films and mags – either my own stash or whatever I can borrow or beg off mates – crack open my sex toys and just frig myself totally daft!

I always make a point of starting off with just my fingers – literally keeping my hand in. It takes longer, but I often find the orgasm's more intense – my cunt will be shutting like a clamshell, and juicing all over my hand, and my head will spin so much that I feel like I'm about to black out.

Most times I'll treat myself to a whole bottle of champagne – no worries if it's the cheap stuff. I still feel really dirty and decadent lying on the bed, legs splayed, one hand raising the bottle for a swig, while the other is poking my pussy. I just think of all the poor mugs at the office, working their arses off, while I'm all tipsy and cumming.

Lunch will usually be bad-for-me stuff like chocolate – I need to keep my energy up – and then I'll really start playing with the sex toys. Sometimes I'll pick up something new, like a toy or bottle of lube, and save it for my day off.

Drunk, I feel so dirty and decadent

Recently, I got some anal beads. Using them on their own didn't really do it for me, but I stuck them in my arsehole then jammed a big dildo up my snatch and that was it!

I used my fingers on my clit, then, as I started cumming, I grabbed the handle and slowly pulled the beads out, feeling them stretch my arsehole open, then let it tighten before stretching it again. I started screaming so loud I had to roll over and bury my face in the pillow, then as I dragged them out of my cunt I started to cum all over again.

I don't feel guilty skiving off work like this – when I'm there I graft really hard. And on the next day I go into work, I always get loads done, like I've had a rocket up my arse. Which, in a manner of speaking, I usually have!

Sometimes, even the world's greatest fuck can't beat a wank. I've actually thought that, if I start seeing someone, we might take these days off together.

But with a rule that there's no fucking, just playing with ourselves. That could be very interesting!

Fiona, Aberdeen.

ALL OUT!

Cricket's our sort of game – there's always a drinks break round the corner. And where we like to field, all the way out at deep fine leg, we don't even have to wait till then for a snifter. Talking of fine legs, here are Sophie's, our opening batsman and wicked-keeper this month. This maiden's bowled us over with her gully and her prowess running between stumps. "Two cocks are better than one. I get off with one between my lips and another one sliding up my twat!" But you could always do with a third man, eh!

Sophia, Norfolk

Looks like Sophia's Portuguese holiday went with a swing. If you want her to sit on your cannon, drop her a line.

18-year-old Katie might be in cuffs, but you're the ones that'll need restraining. "Tease me till I cum!" she begs.

ALYSSA

Boner fide housewife Alyssa's lucky enough to be in an open relationship – she does what the hell she wants and her husband keeps his mouth shut. Sounds like the basis for a happy marriage. "I tell my husband all about what I get up to when he comes home. If he's away on business I email him pics of my pussy dripping cum. His inbox is full of filth and he loves it!"

MELLIE

The powers that be recently installed a shower at work for the benefit of those colleagues who run, cycle and generally flounce around in luminous Lycra to the office. Here at Escort we've been caught running away from the office, but never in the opposite direction. But we christened the shower anyway, persuading mucky Mellie to put on a steamy shower show while the hyperventilating hordes outside whinged about Mellie taking too long. Well, she was enjoying herself. And she was pretty puffed by the end too!

LOLLY

LOLLY

It's August and licking a lolly till your brain freezes is one of the great pleasures of the British summer. But this year readers can ignore Fabs and Twisters and munch on their own Lolly. Unfortunately there's no joke etched on her clit so we asked her to tell us one. "Er, okay! An old couple are having breakfast on their fiftieth wedding anniversary. They strip to celebrate by having sex. 'Honey, my nipples are still as hot for you as they were 50 years ago,' says the old woman. 'That's not surprising,' says her hubby. 'One's in your coffee, the other's in your porridge.'"

Ball buster

As a handyman I get more than my fair share of horny housewives. Melissa's garage door needed fixing and her husband was out all day.

Halfway through the job, she said to come into the kitchen for a drink when I was done.

She gave me a bottle of beer – it tasted good, but nothing like as good as her cunt. We both wanted it, so we didn't arse around with niceties. I made her cum once with a clit-sucking, then she moved my fingers for me, guiding me to her G-spot – that meant I could look up and see her cum-face.

She looked down at me, all flushed and satisfied, and asked what I wanted to do to her next. "Fuck you up the arse," I said. I don't think she expected me to be quite that blunt, but she was well up for it.

She'd fetched some lube for me from the bathroom, and I slapped loads all over her arsehole and my prick until it looked like I was dripping with pre-cum.

I dipped into her slowly, just wanting to feel her tight hole close around me all the way in. I slid in gradually, easing my cock up her arsehole.

She was almost silent, her breathing shallow as she got used to the sensation. And,

Sticky fingers tickled my balls

when my balls hit her bum cheeks, she wriggled about, tightening her ring around my tool. I saw her hand reach down and then she was stroking her shaved pussy, getting her fingers all sticky in the juices collecting there,

Anal treat

Unlike a lot of girls, I've been doing anal pretty much since I was sexually active.

Weirdly, I was a late starter, still a virgin at 20, so when I began seeing Matthew, who was 12 years older, I was desperate to pop my cherry. I wasn't going to tell him it was my first time, just in case he'd find it weird and back out of fucking me, but he acted like it was an honour.

He was a bit too cautious at first, like he was scared I'd break, but the next time – when I showed him the vibrator I'd been using since I was 18 – he gave me a proper seeing-to!

He was brilliant, really expert but patient too, happy to do stuff at my pace. It wasn't that long after I'd taken his cock in my snatch and mouth, that I asked was he into anal.

He asked me was I sure I wanted him up there, so I knelt on the floor, then reached back and fucked myself in the arse with my vibrator, showing him I'd trained myself to take it.

He was convinced, and once I'd cleaned my toy he got me to use it on my clit, saying I could take him easier if I was "distracting" my body that way. It worked. I felt him go in, but so easily, and I think I was starting to cum even before I felt his balls brush my cheeks.

Again, he didn't fuck me too hard that first time, just let my tightness and the feel of me cumming around his cock bring him off. Then he blew his load deep in my bum.

Ever since that first time, I've always loved to take a bloke's spunk in my arse, so I can feel it trickle out over my slit and clit.

Things didn't last with Matthew – he wanted to get serious and I wanted to

A bloke can assume that anything goes

experiment. I usually start fucking a bloke as soon as we get together and tell him to assume that anything goes unless I tell him he's crossing a line. I just love sex to be spontaneous, to be bent over in front of him not knowing which of my holes his cock is going into.

I like it when he teases me

before using them to tickle my balls. I just enjoyed it for a while, then started thrusting, slowly at first.

She wanted it hard and fast, and that's what she got next – loving every stiff inch of my prick as it plundered her arsehole.

Her arse was clamped securely around my pulsing cock, but I managed to get her cumming again with my fingers before I hit the critical point. My balls shrunk right up then blasted a big load deep in her arsehole.

She started to cum again as I pulled out, and I just dropped to my knees and fingered her clit, so I could watch the blobs of spunk ooze out of her arse with every shudder.

I fixed her garage door, but I think she busted my balls, for the day at least!

Jonathan, Glasgow.

– fingers my arsehole, then sticks it to me in the pussy, but it turns out that's just to wet his prick. Suddenly he pulls out, positions himself at my arse-opening, then drives his dick in.

One time I was fucking a lad called Alex – he was just doing me doggy style when he got a bit finger-happy. I just let him do whatever he liked. I got the feeling that when he put one finger up my arse, he convinced himself he'd sneaked it up there and I hadn't felt it!

He put another up there, then another which was my moment to let go, moaning and convulsing so hard he jumped, poor sod!

I grabbed a dildo from under my pillow and told him to use that up there.

And it felt so brilliant up there, made my pussy so tight around his cock and had me cumming hard as he spunked sticky jets in my snatch.

Nicola, Lancs.

Elastic dreams

My kinky bloke Jeff secretly loves to wear my knickers.

When we were out last week in a fancy restaurant, we were both feeling frisky – he was wearing a pair of my red silk panties, after all!

When I said I needed the loo after our main course, he followed me. We went into the gents and I sat on the loo, pulling down the top of my posh frock to expose my tits.

His cock and balls looked like a pound of meat in a half-pound bag, straining against my knickers, so I pulled him free of them.

He tasted horny as ever, with just a slight tang of my pussy too. I couldn't get enough of it, sucking every inch of him, then I started wanking his wet cock with both my hands. I took off my knickers, then wrapped them around my hand. As I stroked them over his cock head, I felt his muscles tighten.

He was cumming, and the friction built quick enough to get him spunking hard and fast. I used my hands to make sure every drop of it spurted out over my silky knickers. Then he took them back from me again and rubbed them, now wetter and messier than ever, all over my boobs.

I stood up and he worked them against my slit, making me cum before helping me put them on.

We behaved ourselves on the journey back, and made it as far as the living room couch. He pulled my legs up in the air and adjusted my knickers so they were stretched around my ankles.

He stuck his nose in the gusset while he fucked me! The deeper he breathed, the harder he ploughed in, and he frigged my clit until I came off around his shaft.

Lynda, Somerset.

He sniffed my gusset as he fucked me
